Thank you for your response to the final draft investigation report at Reference A. Your comments were most helpful and the one concerning TMS was incorporated into the report.

I now wish to advise that, in accordance with section 137 of the *Passenger Transport Act 2014 (NSW)*, I have forwarded the investigation report to the NSW Minister for Transport and Infrastructure. Section 149 of the *Act* requires the Minister to table the report in both Houses of Parliament as soon as reasonably practicable, but not later than seven days after it is received. In anticipation of its tabling, enclosed herewith is a copy of the final report.

Prior to tabling, the report is Embargoed and its contents may not be communicated to any other organisation or individual, other than your personal transport safety advisors who may review the contents of the report in order to provide you with such briefings that you deem necessary.

Thank you again for your cooperation throughout the course of this bus safety investigation.

Yours sincerely,

Mick Quinn
Chief Investigator
